Thank you for your letter of 31 January 1960 to Mr. Dulles regarding your interest in service with this organization.

We understood from the marginal note on your first communication that you were planning to visit our office and so did not acknowledge its receipt. Your second letter has clarified this.

Our recruitment activity is at present limited to replacing turnover among our clerical employees and obtaining a few junior officer trainees. Openings for men of your extensive and responsible experience are quite infrequent and we foresee no immediate opening for you.

We very much appreciate your interest and offer to be of service. Recognizing your desire to locate a suitable assignment fairly soon and in view of the lack of any specific prospect for you here, we feel we should leave you free to consider other more definite opportunities which may be available to you.

Sincerely,

*for* G. M. Stewart  
Director of Personnel
